DSBO Certified Business Utilization Determination Report, Quarter 3 2026

The following is a list of the Division of Small Business Opportunity (DSBO) program determinations on potential upcoming city solicitations. DSBO conducts an analysis to determine if a DSBO program should apply and which program would be best suited to that solicitation based on a variety of factors. If it is determined that either the Minority/Woman Business Enterprise (MWBE) or Disadvantaged Business Enterprise (DBE) goals program will apply, DSBO calculates the goal percentage using industry best practices. If the Small Business Enterprise (SBE) Defined Selection Pool program will apply, there is a 30% SBE Prime Self Performance (SP) Requirement. If Tenant Finish will apply, the utilization requirement is determined by DSBO policy. All solicitations are subject to change.

The Rocky Mountain E-Purchasing System (BidNet®) is an online notification system that is being utilized by the City and County of Denver as well as other governmental entities. Participating entities post their bids, quotes, proposals, addendums, and awards on this one centralized system. You must register in Bidnet if you would like to get notified on any city procurements.
Vendor registration is FREE; vendors receive automatic e-mail notification of all open solicitations matching their vendor profile.
