Join Our Waste Audit Campaign!

Did you know that food is the *single largest* category of waste put in landfills?	Did you know the average American students produced 67 pounds of lunch packaging waste each year?

This can be overwhelming but we can all do something about it starting right here on our campus. We want to invite you to join our Waste Audit Campaign to reduce the amount of trash in the environment.

Starting on _____ [date], we will plan to host a Waste Audit campaign. During the Waste Audit, we will record and safely dispose of any waste provided by the school.

Safety is our priority!! Please be careful when handling waste; do not pick up any sharp objects, broken glass, exposed electrical systems, or unknown containers. If in doubt, please ask an adult for guidance. We will be using reusable gloves and bins that will be stored _____[spot on campus] for your team to use during our Waste Audit.

If you would like to join our Waste Audit Campaign, please contact _____[project lead contact information].

Thank you!
